

6th Zillertal VÄLLEY RÄLLEY hosted by Ride Snowboards

New Schedule for 2018/2019

Once again, the Zillertal VÄLLEY RÄLLEY hosted by Ride Snowboards will conquer the best snow parks of Zillertal this 2018/2019 season. The 6th edition of Austria's popular snowboard amateur series will have four events and go down between December 2018 and April 2019. As always, the Ästhetiker snowboard club will showcase first-class snowboarding across the Zillertal. The registration for the first event at Hochzillertal will be open from December 1st, 2018 at www.valleyralley.at. Check MonePic's teaser edit for more <https://vimeo.com/300673570>

During the last five years, the Zillertal VÄLLEY RÄLLEY has been established as a landmark in the European snowboarding scene. „Our main goal is to provide a platform for up-and-coming talent while sharing the stoke for snowboarding with young guns and motivated shred heads of all riding levels“ snowboard legend and Ästhetiker president Steve Gruber explains. „With the VÄLLEY RÄLLEY we have been supporting a vast numbers of riders on their journey to becoming a professional snowboarder. Even some actual Olympians have used our grassroots tour to make it to the top of international podiums.“

Boardsports fans can look forward to four action-packed weekends of snowboarding. All events will offer freebie freestyle coachings with the Ästhetiker pros at the best snow parks of the Zillertal. Ride Snowboards will have the latest snowboards and bindings available for free demo/testing at all stages. The Limbo RIDE fun contest is all about keeping it low under the bar and taking home great prizes. Riders of all nations and age groups will raise that bar during the open slopestyle competitions and podium winners will be taking home medals, prizes and prize money. To top it off, the best trick at each event will be honored with a special prize from Billabong.

Every contest result will accumulate points for the Zillertal VÄLLEY RÄLLEY overall ranking. The overall Royal Zillertal VÄLLEY RÄLLEY 2019 winners of each catagory will be rewarded at the fourth and final stage on Hintertux Glacier. Riders that participate in the tour will also be collecting points for

the International World Snowboard Point List (WSPL). The points from the first three VÄLLEY RÄLLEY events are counting for the n.ASA (New Austrian Snowboard Association) Austriacups, while the riders with the most Austriacup points will finally be crowned Austrian Slopestyle Masters 2019. With the results from the first three stages, the best man, woman and rookies can also qualify for the Austrian Masters Slopestyle Finals. On top of all this, the rookies will collect points in the World Rookie Ranking to qualify for the World Rookie Finals. More info at <http://www.powdern.com>

Together with Zillertal Tourismus GmbH, the Zillertal mountain companies und tourism associations and thanks to the support of Ride Snowboards, Red Bull, Billabong, Greenroom Mayrhofen and Dana Beanies, the Ästhetiker are delighted to announce the new tour schedule for 2018/2019:

1st stage 22.-23.12.2018 Hochzillertal, Kaltenbach, Erste Ferienregion im Zillertal

2nd stage 19.-20.01.2019 Zillertal Arena

3rd stage 02.-03.03.2019 Penken Park Mayrhofen, Mayrhofen-Hippach im Zillertal

4th stage 27.-28.04.2019 Hintertux Glacier, Betterpark Hintertux, Tux-Finkenberg

All info, updates and registration from 1st December 2018 on at www.valleyralley.at and www.zillertal.at/valleyralley

About the Zillertal

The Zillertal is one of the most popular alpine holiday destinations and long since known as Europe's number one snowboarding mecca. The well designed and perfectly shaped snow parks rank among the best freestyle parks in Europe attracting some of the world's best riders over and over again. There are kickers, rails, boxes and other features for all riding levels to learn new tricks and improve freestyle skills quickly. The Zillertal snow parks score high for great shaping, jumps with space for tricks and push creativity throughout all levels. Find out more at www.zillertal.at
